

Airport Advisory Committee Minutes
December 18, 1995
Airport Administration Building
7:00 P.M.

Present: From the committee, Roy Cederstam, Dennis Kindig, Ron Knoll, Grant Porter, Annie Yannotti and Commissioners Bob Nickelsen and Nancy Wesche; from staff, Jim O'Banion; guests Robert Graves, David Koebel and Jay Noyes

Chairman Bob Nickelsen opened the meeting at 7:20 p.m. He explained the purpose of the meeting: To discuss Port's proposed T-hangar increase. The increase would raise rates on A hangars from \$90 to \$110 and on B hangars from \$100 to \$120.

Those present participated in the discussion, voicing concerns, asking Port's reasons for increase, asking if old T-hangar leases are paying for new T-hangars, etc. A letter submitted by Mike Gehrman was read into the minutes and is an attachment in the files.

After much discussion, a motion was made by Roy Cederstam that the Advisory Committee recommend approval of the proposed increases to the Port Board of Commissioners. Seconded by Ron Knoll, the motion was approved by majority vote (4-1).

Port staff will request additional T-hangar comparisons from The Dalles, Bend, Burns, Evergreen and Madras airports.

Other Business: Concerns were expressed about snow removal practices: a) snow piled at both ends of runway--remain longer and constitute hazards; b) snow piled in center of asphalt between the two T-Hangars--some planes cannot make the turn from hangar door because of practice. Staff will talk with Chuck Pounders of Port Services for suggestions.

The meeting was adjourned by Chairman Nickelsen at 9:40 p.m.

Respectfully,
James O'Banion
