Public Use Of Airport Administration Building

This Airport Administration Building is owned by the Port of Hood River and currently managed by Classic Wings Aero Services, Inc., the airport's fixed base operator.

Public uses are allowed in this building. Following is a list of rules for public use:

■ Classic Wings Aero Services will post hours the building is available to the public. Minimum public hours are: 8 a.m.-5 p.m. October through April, and 8 a.m.-6 p.m. May through September, at least five days a week, including all Saturdays and Sundays; building is closed New Years Day, Thanksgiving Day and Christmas Day. If Classic Wings Aero Services locks Airport Administration Building at any time during these hours, it is required to post notice with immediate contact information.

■ Pilots may use this building at any time during posted public hours for flight planning. Local telephone calls are allowed with the permission of Classic Wings Aero Services' staff.

■ Pilots may use the building at any time during posted public hours as a waiting area during weather events that create conditions when safe flying is in jeopardy.

■ Severe weather events may prevent the building from being open during normal posted hours. Classic Wings Aero Services will display a notice if weather prevents this building from being open during normal posted hours. This notice shall contain a contact telephone number.

■ Aviation/airport meetings may be held but must be scheduled with Classic Wings Aero Services one week prior to desired meeting time. The date, time and estimated number of attendees must be provided when scheduling meetings.

■ Classic Wings is currently the only commercial provider of flight lessons and scenic flights, under its contract with the Port of Hood River. No other commercial flight instruction or scenic flights are allowed without obtaining a concession agreement from the Port of Hood River. If such an agreement is obtained, the Port will work with the concessionaire to determine any uses of the Airport Administration Building.

■ Transient flight instructors from other airports may debrief students at this building. They may be required to demonstrate proof that they have a flight school at another airport or similar facility.
