

**PORT OF HOOD RIVER  
Resolution No. 2003-04-2**

**Commitment to Complete Wind Shadow Study as Part of Waterfront Master Planning**

**WHEREAS**, the Port of Hood River owns waterfront property located north of I-84, west of the Hood River and east of the Hook which it seeks to redevelop into a mixed-use high quality development; and

**WHEREAS**, the Port of Hood River recognizes the importance of waterfront recreational uses at the Event Site, such as windsurfing, to the economic health of the area's tourism industry.

**THEREFORE, BE IT RESOLVED** that the Port of Hood River will complete a wind shadow study as part of the master planning for the waterfront redevelopment; that the purpose of the wind study is to: (1) establish a baseline of prevailing westerly winds which supports windsurfing on and offshore from the Port of Hood River Event Site, and (2) develop a model to compare proposed development scenarios with one wind shadow baseline.

**ADOPTED BY THE BOARD OF COMMISSIONERS** this 23rd day of September, 2003.
