The Port of Hood River received bids for the Hook Rigging Area project on Dec 1, 2021. Four Bids were received with one Non-Responsive bid. All bids came in well over the engineers estimate for the work.

The Apparent Low Bid is Beam Construction to complete either rigging area # 1 or rigging area #2. The board will make the decision of which rigging area will be built December 7, 2021 and Award of the contract will take place immediately after that date.

The Port of Hood River will post the decision after the Board meeting December 7, 2021.

Attached please find the bid tabs for the project.
