**HOOD RIVER-WHITE SALMON INTERSTATE BRIDGE
WIRE ROPES REPLACEMENT PROJECT**

CLARIFICATION NO. 4

October 3, 2022

Project question and answer.

It appears that half of the project will be performed in Oregon and half in Washington. Can you confirm:

1. Are we required to pay Washington State taxes (i.e. Sales Tax, B&O Tax, etc.) for the part of the work that occurs in Washington?
2. Are we required to pay Washington Prevailing wage rates for the part of the work in Washington?

Port response:

Bidders must determine their own tax and wage obligations and should include those costs, if any, in their proposals.
