## **North Apron Rehabilitation Project - Ken Jernstedt Airfield Clarification No. 3**

---

**Issued: Monday March 30, 2020**

**See questions and answers asked by potential bidders:**

Q1. Could you clarify the paving that it is one 4" lift. On drawing C-15 sheet 22 of 36 it shows like it is one 4" lift. Is that correct? That would be a significant difference on how we would pave this.

***A1. The expectation is to pave it in two 2" lifts, HOWEVER the Port doesn't dictate means and methods with these specifications, only performance.***
